Dear Jazz friends,

I'm delighted to announce our great new jazz festival in Norfolk - at the prestigious 4 * Holiday Inn Hotel, Norwich North, which takes place on Friday 27th - Sunday 29th May, 2016.

We decided to go up market from the festival we ran at Hemsby earlier this year - which was moved from Mundesley when that venue was sold. We felt that Hemsby just wasn't the same, so after a lot of consideration, Andrew Petters and I visited the Holiday Inn, Norwich North and found the perfect venue.

The Norwich Jazz Party was held there for many years and the venue proved to be popular with both guests and international musicians alike.

I've got a long track record with the Holiday Inn group. We just played our 13th festival at Stratford last month, to great acclaim from our guests - many who have already re-booked.

Here's just one comment from the many e-mails I received:

"I enjoyed the superb festival of jazz and swing at Stratford and which will long remain in our memories. It was full of variety from the wide range of excellent musicians on stage leading up to the final crescendo on Sunday night orchestrated by Pete Allen, the supreme professional, musician and entertainer."

The music on offer will be of the highest quality you are likely to find anywhere these days. I carefully pick my musicians for their creativity, skill and versatility.

We have a mix of young players - notably the ever-popular Amy Roberts and such veterans as Jim Douglas, who's guitar work can be seen on TV broadcasts and heard on recordings with the likes Red Allen, Bud Freeman and Wild Bill Davison from his days with the famed Alex Welsh Band. See the enclosed flyer for full details and book as soon as possible.

If you can't make Norwich, you may like to consider the Louis Armstrong Celebration Festival at Bracklesham Bay, Sussex - 9 -11 September or the William Shakespeare Jazz'n'Swing Festival at the Stratford Holiday Inn on 26th - 28th November 2016.

Don't forget our London Louis Armstrong Riverboat Shuffle on the Thames on Saturday 3rd September (see enclosed flyer).

Finally - remember we have a great selection of CDs and DVDs, including The Charleston - John Petters Gatsby 5, Sing Sing Sing - John Petters Swing Band etc.

You can order on-line at www.traditional-jazz.com and click on our CD & DVD shop - e-mail or phone for a catalogue.

We can also offer classic jazz CDs on the Retrospective label - again contact me for details.

I look forward to hearing from you,

Best wishes - John Petters
